

Hello!

Thank you for inquiring about our fieldwork and practicum training programs. We have numerous learning opportunities available within Evolve.

All positions require a commitment of at least 2 semesters/quarters for a minimum of 16 hours per week. Positions are unpaid and all individuals must be required to pass a LiveScan background check and health screening. All applicants must be receiving school credit for their placement.

If you are looking for further information about our programs, please check out our website www.evolvevetreatment.com.

Please complete the form below and email it back along with a copy of your resume to AcademicPlacements@evolvevetreatment.com. Please provide as much information as possible about what you are seeking; we will be back in contact should we have a position available that would be a good fit.

We look forward to hearing from you!
